

## Welcome to Starcover

### Care That Comes From The Heart

Giving someone a good day to day quality of life comes from the inner heart. It's a natural action for those who have a soft and caring heart. Here at Starcover we strive to find these people and prepare them through special selection, background checks, training and induction for the benefit of promoting the day to day good quality of life of our valued clients.

Starcover is founded and operated by nurses and healthcare professionals with over 15 years of experience in the healthcare industry. We understand the extensive process and potential issues faced by both healthcare professionals and healthcare facilities as they seek to provide better client care. Starcover is dedicated to providing the highest quality health care services to our clients. We are always re-evaluating and exploring options to identify the best ways to ensure our clients are provided with the highest standard of care.
