LOVAGE
HOME CARE

Lovage care is a full-time Home Care solution that allows you or your loved one to stay at home in familiar, relaxed surroundings. Supported by a fully trained Live-in Carer who works to an individually designed care plan, many people find this one-to-one personal home care service ideal. Our commitment to working with vulnerable adults, their families and carers enables us to develop person centred services that are sensitive to needs; adaptable to circumstances; innovative in delivery and clear in outcomes.

Choosing how to handle the care of a loved one in their later years is a difficult decision; you want to do what's best for your family. There is no right or wrong, every family situation is different. But to be able to make an informed choice you need to know your options and understand the difference between Live-in Care and Care Home.

Our care services ensure you remain independent and free to make decisions within your own home by providing the level of care that is right for you.

Services:

Dementia, learning disabilities, Mental health conditions, Personal care, Physical disabilities, Sensory impairments, Caring for adults under 65 yrs, Caring for adults over 65 yrs.
