

About us

CareCommitted Limited provides quality care that meets the needs of people living at home and in need of support. Our care and support package is a mixture of practical and emotional support for adults who need extra help to manage their lives and be independent - including older people, people with a disability or long-term illness and people with dementia.

Our staff are trained to deliver care in a friendly and flexible manner. They work with you on a one to one basis and at your own pace, giving you time to express your needs. They value your feedback and incorporate it into your care package. We have a dedicated team that work round the clock and respond swiftly to a call out. At CareCommitted you are never alone because we care.
