Our Staff Your Peace Of Mind

WHY CHOOSE US?

We understand that the needs of our workforce and clients differ depending on circumstances, so instead of having a 'one size fits all' approach we strive to provide a tailor-made service to ensure that our staff and client's needs are met.

We carry out a comprehensive vetting process which ensures that all our staff meet the required legal requirements before being offered any positions.

OUR SERVICE

QUALITY

Our staff are fully compliant with all laws and guidelines set out by CQC. We have a dedicated recruitment and vetting team that puts all new applicants through different checks to ensure only the very highest calibre of staff are accepted by HKN Care Services.

PROFESSIONALISM

HKN Care Services provide a non-compromised quality care 24/7 throughout the year. Our client can rely on us to meet all their needs in a timely manner whilst maintaining a high level of professionalism.
